

BELIEF STATEMENTS OF POCOMOKE CITY SCHOOLS

We believe that...

-  All students are unique and learn in different ways. Furthermore, we believe that when we find and share the ways in which students learn best, we enable them to be successful.
-  The purpose of education is to assist each student to become a lifelong learner who can discover and develop his or her unique potential.
-  Students learn best in a safe, nurturing environment.
-  Education is the shared responsibility of the school, the governing authority, the student, the family, the government and the community.
-  Education develops understanding, tolerance, and appreciation of diversity.
-  Character education promotes personal growth and civic responsibility.
-  Technological proficiency is essential to students' future success.
-  Extracurricular activities complement the academic program, enhance the learning process, and prepare the student for life's experiences.
