

2009-2010 PMS SFAB FIRST INSTALLATION CEREMONY

On Wednesday, October 14 at 6 p.m., Pocomoke Middle School SFAB, and their SFAB advisor, Mrs. Jayelynn Hall, celebrated their first installation ceremony for the new 2009-2010 SFAB officers. In support of this prestigious occasion were Principal, Mrs. Caroline Bloxom, the student's parents, family, faculty, and friends.

Treasurer LeAnn McDowell shared her comments about the installation.

The installation ceremony was an enlightening event in which you are honored by and accepted into the SFAB (Student Faculty Advisory Board). The lighting of the candles was an elegant way to symbolize the importance of each officer's job. Each candle had a colored ribbon tied to it which represented an element needed for each officer's job. We also received pins which had the name of our position on it. We were given cake and refreshments afterwards, which I may say myself, were very delicious. We should definitely have this next year and make it a PMS SFAB tradition.
