

STUDY ISLAND

Pocomoke Middle School is pleased to offer Study Island at home every day in math and reading to help your child practice skills. Last year PMS students who participated in Study Island demonstrated gains on their MSA scores. Help your child to be more successful in school. You can use your computer at home or one at the local library to help your child achieve more this year!

Log on and give it a try!

www.studyisland.com

We have new usernames and passwords this year.

USERNAME: your child's lunch number@pocomoke

PASSWORD: your child's lunch number

For example, if your child's lunch number/student ID is 37412, then the username will be 37412@pocomoke.

The password will be 37412
