

The Pocomoke Middle School staff would like to express our thanks and sincere appreciation to our 2008-2009 parent volunteers: Sheila Palmer, Judy Albrecht-Bunting, Joslyn King, and Linda Webb. Our wonderful volunteers attended an orientation workshop in September, and then worked tirelessly to assist our teachers and students throughout the year. Their work included assisting with our breakfast program, clerical work for teachers, and working with small groups of students. They were recognized for their valuable contributions with a luncheon at Ruby Tuesday's on May 7.

If you are interested in volunteering at our school next year, please look for our Volunteer Orientation flyer when school begins again or call the school for more information.

Thanks **VOLUNTEERS!**
